

HOW MANY PRANKS DOES IT TAKE FOR ONE BOY TO GET EXPELLED FROM AN ALL-GIRLS SCHOOL?

SEVENTH GRADER JEREMY MINER IS ON A MISSION TO FIND OUT.

Seventh grader Jeremy Miner has a girl problem. Or, more accurately, a *girls* problem. Four hundred and seventy-five of them. That's how many girls attend his school, St. Edith's Academy. Jeremy is the only boy left after the school's brief experiment in coeducation. And he needs to get out. His mom won't let him transfer, so Jeremy takes matters into his own hands: He's going to get expelled.

Together with his best friend, Claudia, Jeremy unleashes a series of hilarious pranks in hopes that he'll get kicked out with minimum damage to his permanent record. But when his stunts start to backfire, Jeremy has to decide whom he's willing to knock down on his way out the door.

Written with equal parts humor and heart, Lee Gjertsen Malone's debut is all about fitting in, standing out, and finding the place where you belong.
